

Appeal for New Technology

A new year in Religious Education brings new challenges and the need for new technology. Our lessons in the new books require us to be interactive with smart devices, such as TV's which act as our easels. Currently we lack enough TVs and wall mounts. We have to share the one we have.

If you would be interested in donating to the purchase of new smart TVs, please contact Fr. Tim at the rectory at 914 631 0529 or Maria Crisafi at reledmagdalene@gmail.com

Thank you!
